I. Read memo No. 2865, dated 28th September—4th October 1904, from the Revenue Commissioner in Mysore, regarding the shifting of the Mayasandra village in the Turuvekere Sub-Taluk, to a better site and requesting to report direct to Government as to whether the District Board is willing to grant the advance for acquiring the required lands and if an advance is required the amount and the period within which it can be recouped.

Resolved that Government be asked to grant an advance of Rs. 3,000 which will be adjusted within three years.

II. Read Secretary's docket No. 2900—L. F. 255-93, dated 4—5th October 1904, requesting to report how the Maddagiri travellers' bungalow has risen in importance to be converted into second class, and also to inform if the Board are willing to take up the Kibbanahalli bungalow irrespective of the question of raising the Maddagiri bungalow to the second class.

Resolution.—The proposal was made upon the comparative importance of the two bungalows. Maddagiri bungalow has not actually risen in importance and so the Board resolve to hold their proposal in abeyance until such time as the Maddagiri bungalow rises in importance.

III. Read Government Order No. (4001-8-4-4)—L. B., dated 16th November 1904, regarding the grant of an imprest to the Taluk Boards, &c., for carrying out District Fund works.

Resolved that a sum of Rs. 150 for each Taluk Board, Rs. 50 for each Union be sanctioned as imprest for carrying out works.

IV. Read Secretary's docket No. (2957-64)-70-2—Ed., requesting to state why the District Board should not continue to contribute towards the cost of education as the house tax in Unions is credited to District Funds.

Resolution.—As the Unions are too poor to afford it, the Board consider that a contribution to the Educational Department might starve some necessary sanitary improvements.

V. Read Secretary's docket No. 2624-127-2—L. B., dated 27th September 1904, requesting to place before the Board and obtain its approval for certain works sanctioned in July and August 1904, and stating that the Board is competent to sanction works costing Rs. 500 and under.

Resolution.—The estimates are approved.

VI. Read reports from the Amildars of Tumkur and Gubbi, requesting that an extra hand be sanctioned to the Taluk solely for doing the work of the Local Fund Branch as, with the present establishment, it is difficult to cope with the increased work.

Resolution.—The work is increasing and a hand is necessary to each of the Taluks on pay of Rs. 15.

VII. The following Proceedings of Government were read and recorded.

(1) Government Order No. (3281-93)-57-4—L. B. Dt. Fd., dated 19th October 1904, sanctioning the supplemental grants to the budget estimates for 1904-05 on account of the Huliyar Union.

(2) Government Order No. (3445-6)-162-2—L. B., dated 27th October 1904, sanctioning the list of incomplete works from District Funds for the year 1904-05.

(3) Government Proceedings No. 1868-76—L. F. 42-92, dated 2nd October 1904, observing it undesirable that the ordinary repairs to 3rd class travellers' bungalows should be carried on by one agency and special repairs by another, and directing that the present practice be continued by which all the repairs to such bungalows are done by the Public Works Department.

(4) Government Proceedings No. (3355-65)-16-11, dated 22nd October 1904, directing that the question of metalling tank bunds on which District Fund roads run be left in the hands of the District Boards who seem to be alive to the importance of the subject.

VIII. Read Government Order No. (4188)-3-4—L. B, dated 19th November 1904, sanctioning the appointment of the Treasury Assistant Commissioner as a member of the District Board and calling for proposals to fill up the vacancy caused by the resignation of Mr. Hanumantha Rao.

Resolved that Mr. Chennakesavapur Sreenivasa Rao of Pavagada Taluk be recommended for appointment.

IX. Read the revised District Fund budget estimates of this district for 1904-05.

Resolved that the revised budget be submitted to Government for sanction.

X. Read and approved the list of works as per accompanying statement.

XI. Resolved that the next meeting of the Board be held on the 15th February 1905.
